FINANCIAL POLICY

It is our goal to provide you with the best quality dental services in a warm, caring environment. Our practice prides itself on being respectful of your time and finances.

Likewise, we expect payment at the time services are rendered. If you have dental insurance you will be expected to pay your deductible (if any) as well as any co-payment estimates on the day of your appointment.

If you are having major dental services provided, we require one half down on the day treatment is begun and the remaining half on the day treatment is completed.

Our front desk is happy to assist you with filing all insurance claims and answering any insurance questions you may have. However, your dental insurance is a contract between you and your insurance carrier, and you are ultimately responsible for payment of any charges not paid by your insurance company.

We accept cash, check, Visa, MasterCard, and Discover.

CANCELLATION POLICY

We understand that sometimes appointments need to be cancelled and rescheduled. However, to respect the time of our staff and patients waiting for appointments, we have the following cancellation policy. We ask to please let us know 48 hours in advance of any appointment changes. Any appointments that are missed or cancelled with less than 48 hours notice may be subject to a \$75.00 fee.
